Description :	**FLOOR TECH CABINETS** **Front glass door, side and rear blind panels**

Floor TECH racks are designed for the containment of the main equipment for structured cabling and LAN networks. The solution with a new design allows the integration of a wide range of accessories needed in the most advanced hi-tech environments. Racks are available with width of 600 or 800 mm and depth of 600 or 800 mm, equipped with front glass door, side and rear removable blind panels.
