Description :

IP SERIES WALL MOUNTED CABINETS

Front blind door

The IP series wall mounted cabinets are designed for the containment of the main equipment for structured cabling, LAN networks in very severe environmental conditions. The new solution, with an original design allows the integration of a wide range of accessories needed in the most advanced hi-tech environments. They are available with a width of 400, 500 or 600 mm, provided with front blind door, ensuring an IP65 protection degree.

CODE	DESCRIPTION	DIMENSIONS (mm)					BEAR
